To determine annual income:

- If you receive the income every week, multiply the total gross income by 52.
- If you receive the income every two weeks, multiply the total gross income by 26.
- If you receive the income twice a month, multiply the total gross income by 24.
- If you receive the income monthly, multiply the total gross income by 12.

Remember: The total income before taxes, social security, health benefits, union dues, or other deductions must be reported.
